BEARD COVERS

PRODUCT DATA SHEET

Shield Right

Intended Use

Shield Right Disposable Beard Covers give hygienic beard and lower-face coverage for food processing, hospitality, pharmaceutical, laboratory and clinical environments. Made from lightweight, breathable polypropylene with a single head loop, they help stop hair and dandruff contaminating products and work areas, and pair easily with hair nets and other protective clothing.

Technical Specifications

Material: PP non-woven (polypropylene)
Size: 18-inch, one size
Design: Covers beard and lower face
