PE SLEEVE COVERS

PRODUCT DATA SHEET

Shield Right

Intended Use

Shield Right PE Sleeve Covers give full wrist-to-elbow protection for food, medical, laboratory, cleaning, catering, veterinary, agriculture, pharmaceutical and education settings. Elastic at both ends gives an adjustable fit, and the polyethylene film does not absorb liquids or odours, keeping forearms and clothing clean and dry.

Technical Specifications

Material: Polyethylene (PE)
Size: 22 × 40 cm, one size
Weight: 4 g per piece
