PP SLEEVE COVERS

PRODUCT DATA SHEET

Shield Right

Intended Use

Shield Right PP Cuffed Sleeve Covers are breathable non-woven sleeves that protect forearms and clothing from dust and light soiling in food, clinical, laboratory and cleaning work. A knitted cuff at the wrist and elastic at the upper end keep them securely in place, and they pair easily with gowns, coveralls and aprons.

Technical Specifications

Material: PP non-woven, 40 gsm
Size: 40 × 20 cm, one size
Cuff: Knitted at wrist, elastic at top

Standards Compliance

- **HACCP certified**
