# FACE SHIELD
## CLEAR VISOR
## PRODUCT DATA SHEET

Shield Right

## Intended Use

Shield Right Face Shields give reusable full-face splash protection in clinical, laboratory and general workplace settings. The clear visor gives a clear view, the soft foam pad sits comfortably on the forehead and the non-slip elastic band fits without pressure. No assembly is needed, and each shield can be cleaned, disinfected and reused.

## Descriptions

- High light transmission for a clear view.
- Soft foam forehead pad.
- Non-slip elastic band.
- No assembly – peel off the protective film.
- Can be cleaned, disinfected and reused.

## Standards Compliance

- **ARTG No. 528538 (TGA)**

## Shelf Life

3 years from date of manufacturing if stored correctly

Face shields shall maintain their properties when stored in a dry position. Avoid direct sunlight.
