DISPOSABLE VOMIT BAGS
1,500 ML
PRODUCT DATA SHEET

Shield Right

Intended Use

Shield Right Disposable Vomit Bags give hygienic, leak-proof containment of vomit and fluids in healthcare, patient transport, aged care, travel and home care. The twist-lock ring seals the bag to prevent spills and odour, the opaque bag hides the contents, and graduated markings help staff monitor fluid loss.

Descriptions

- Leak-proof containment of vomit and fluids.
- Monitor fluid loss with 500 ml markings.
- Twist the ring to seal the bag.
- Hygienic, discreet disposal.
- Ideal for ambulances, wards, aged care and travel.

Key Features

- **High-volume 1,500 ml bag**
- **Graduated markings**
- **Easy twist-lock seal**
- **Opaque bag hides contents**

Shelf Life

3 years from date of manufacturing if stored correctly

Vomit bags shall maintain their properties when stored in a dry position. Avoid direct sunlight.
