HI VIS GLOVE CLIP

PRODUCT DATA SHEET

Intended Use

Shield Right Hi Vis Glove Clips keep gloves attached to a belt, vest or pocket so they are always close at hand and never lost. A breakaway release lets the clip pull free if it gets caught, and the fluro colours add visibility on site.

Descriptions

- Keeps gloves secure when not in use
- Interlocking teeth grip gloves firmly
- Breakaway release if snagged
- Holds up to 5 kg
- Fluro yellow or orange for visibility
- For construction, warehousing and trades
