EYE WASH & SHOWER ICON SIGNS

PRODUCT DATA SHEET

Shield Right

Intended Use

Shield Right icon safety signs mark the location of emergency eye wash stations and safety showers so staff and visitors can find them fast. The pictogram design reads at a glance regardless of language, suiting laboratories, workshops, warehouses, plants and healthcare facilities.

Key Features

- Three options: eye wash, shower or both
- Green and white high-visibility design
- Pictograms understood without words
- Wall or surface mount
- Suits indoor and general workplace use
- Pairs with all Shield Right units

SR6620 Eye wash · SR6621 Shower · SR6622 Combination
