EYE WASH & SHOWER TEXT SIGNS

PRODUCT DATA SHEET

Shield Right

Intended Use

Shield Right text safety signs mark the location of emergency eye wash stations and safety showers with clear, bold wording so staff and visitors can find them fast. Suits laboratories, workshops, warehouses, plants and healthcare facilities.

Key Features

- Three options: eye wash, shower or both
- Green and white high-visibility design
- Bold, easy-to-read wording
- Wall or surface mount
- Suits indoor and general workplace use
- Pairs with all Shield Right units

SR6623 Eye wash · SR6624 Shower · SR6625 Combination
